Week of May 15, 2020

Hello Neighbors!

In light of the Governor's Executive Order 62, I will be in my office at the Llewellyn Village Community Room from 10 am to 4 pm only on Monday, Wednesday, and Fridays. Look for the sign on the outside of the building by the window where we can meet. *Please respect social distancing and only one household by the window at a time. Please call or email in advance to schedule for assistance via "window services."

WEAR A MASK!

- Cover your mouth and nose with a cloth face cover when around others.
- You could spread COVID-19 to others even if you do not feel sick.
- Everyone should wear a cloth face cover when they have to go out in public, for example to the grocery store or to pick up other necessities.
- Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.
- The cloth face cover is meant to protect other people in case you are infected.
- Do NOT use a facemask meant for a healthcare worker.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

COVID-19 Basic Needs Resource List

- **Pandemic Electronic Benefit Transfer (P-EBT) Program** - Over the next 6 weeks, children who qualified for free or reduced school meals will begin receiving a benefit of \$5.70 per day for 66 days. Families will receive a total of \$376 per eligible student. If your family is currently receiving SNAP benefits, the P-EBT benefits will be added to your EBT card in the next two weeks. If your family is not receiving SNAP, you will receive a P-EBT card in the mail in the next 4 to 6 weeks. If you are the parent or guardian of multiple eligible students living in the same household, you may receive one P-EBT card with benefits for all the eligible students. Visit <https://www.dss.virginia.gov/benefit/pebt.cgi> or call (703) 777-0420 for more information.
- **Pandemic Unemployment Assistance (PUA) and Unemployment Insurance (UI) provided for under the CARES Act** - The CARES Act includes a provision of temporary benefits for individuals who are not eligible for regular/traditional unemployment insurance. These individuals may include those who are self-employed, independent contractors, gig economy workers, clergy and those working for religious organizations as well as others who may not be covered by the regular/traditional UI program. The first step was to apply for unemployment insurance (UI) by visiting www.vec.virginia.gov or www.vawc.virginia.gov or calling (866) 832-2363. You received (or will receive) a Monetary Determination from the Virginia Employment Commission that indicates that you do not qualify for unemployment benefits (UI). The next step is to file a Pandemic Unemployment Assistance Application. The application is online at www.vec.virginia.gov/html/pua.html
