

## WINDY HILL FOUNDATION FALL 2021

---

"Just as many of us have done on a personal level this year, Windy Hill has reflected on our past, taken stock of our present, and thought earnestly about our future; we have closely examined how we can best serve our residents and fulfill our mission."

Ned Quinn, President, Board of Directors, Windy Hill Foundation

### **Windy Hill Gardens Bring Joy and So Much More!**

This summer, three gardens flourished at Windy Hill's Middleburg communities! In partnership with the Town of Middleburg and Hunt Country Gardens, the resident gardeners

at Levis Hill House, Llewellyn Village, and Virginia Lane worked throughout the season to plant and maintain these wonderful gardens.

The benefits of the gardens have been bountiful! Not only have the residents harvested loads of healthy offerings and amazing flowers, they have established a productive and rewarding activity about which they can be proud.

## **Windy Hill Kids**

Sometimes, our children have to take a leap of faith. Whether they are a four year old holding their parent's hand on their first day of preschool or a high school graduate holding a scholarship in their hand, the first step can be the hardest. Windy Hill Foundation continues to work to ensure that when our kids make those leaps of faith, they land on solid ground.

With the backing of our donors, Windy Hill is there to support our kids as they take on any academic challenges. The Nest to Wings program, which was initially funded by all those who raised their paddles high at our 2019 Gala, is supporting six young ones as they start their education at Grace Montessori and Middleburg Montessori Schools. At the other end of their education journey, Windy Hill is currently providing college scholarships to five students.

Windy Hill Board member Julie Coles recently shared her commitment to this important program, "Nest to Wings is a program I support and believe in because it enables children in our community to receive the earliest start to their educational potential in life. And, we won't stop supporting them in this journey. It lifts up our youngest residents, funds students pursuing college or vocational training opportunities, and helps adults who are carving out a better future for themselves and their families."

One of our bright stars, Joshua Castro, is highlighted in this year's Annual Report. Joshua, who landed in Middleburg after fleeing Hurricane Katrina, has a compelling story of determination, dedication, and compassion which only continues to amaze all who know him.

Your gifts help us maintain our commitment to the youngsters who grow up at Windy Hill and to their bright futures, wherever they may lead. To read more about Joshua, as well as others who make a difference every day, please click [here!](#)
